

## Survival in the Siberian taiga (trekking) — Detailed description

Trip Length: 7 Group: 6-9 Departure: Fixed Period: July - August

### Trip overview

If you're looking for something truly special, if you're tired of the city routine and want to test your limits, if you're craving a unique experience, we offer you a unique tour: "Survival in the Siberian Taiga."

This season, we'll head to the northernmost point of Lake Baikal—to the town of Severobaikalsk. Hundreds of kilometers of wild taiga await you, as well as a completely secluded coastline far removed from tourist crowds. A trekking tour along the northern edge of Lake Baikal: solitude, complete freedom, and nights in tents under thousands of stars.

We'll hike to Yarki, the northernmost island. Then, we'll take a catamaran to the eastern shore: the protected areas of national parks, the glacial Lake Frolikha, and Ayaya Bay. A relaxing break at the natural hot springs of Khakusy will be a fitting conclusion.

A great opportunity to test yourself and get to know your own nature!

- clothing in case of bad weather - when the temperature drops (in mountainous regions, on the coasts, in the evening), we recommend taking a light jacket, a warm sweater and pants

In different regions of Russia there can be significant temperature fluctuations in the summer. BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For questions regarding obtaining an electronic visa, please contact your tour manager.

### Money

The Russian currency is ruble. The cost of travel and other services is always fixed in rubles. Please note that cards from foreign banks do not work in Russia at the moment. Tourists can obtain a bank card from a Russian bank in advance or travel with cash. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities. It is also worth noting that the exchange rate at airports is usually not the most favorable. It is better to exchange in big cities (you can check the current exchange rate online). Important! Only new banknotes without defects or any traces are accepted for exchange.

### Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity,
