

Essential Georgia — Detailed description

Trip Length: 8 Group: 1-3 Departure: Fixed Period: December - January

Trip overview

Like a gate between Europe and Asia, Georgia has a unique cultural heritage, and is famous all over the world for its original culture and rich history since the time of the Iberian state. It is difficult to determine what attracts tourists from all over the world to the ancient country "Sakartvelo", as the Georgians themselves proudly call it, but we try to do it.

For those who would like to discover this incredible country and have just over a week, we offer a short but intensive tour gives you a chance to explore famous sights of Georgia and have rich cultural experience in a limited amount of time. Don't miss the opportunity to have an amazing journey to the very heart of the Caucasus, where all the best is collected: a rich history reflected in archaeological and architectural monuments, picturesque nature with a subtropical and mountain climate, and, of course, freedom-loving and hospitable people who are proud of their national cuisine and fine wines.

During 8 days, we will make our way through the capital of Georgia – Tbilisi with its own mix of old narrow streets, to the Batumi city - the "Pearl of the Black Sea" striking modern architecture and cosmopolitan energy. We will easily get to the pearl of Georgia – Kazbegi village and enjoy its untouched beauty. After that, take a chance to discover the ancient capital of Georgia – Mtskheta with its UNESCO heritage monuments, the second biggest city of Georgia – Kutaisi with Prometheus cave, Martvili canyon and Okatse Canyon. Travelling to the province Svaneti will allow you to discover the remote pristine locations hidden high among snow-captured mountains, and understand mysterious culture of isolated Svans people. And the last stop will be the world famous Borjomi spa resort with its pleasant atmosphere.

Let's go to Georgia to have a life time experience in 8 day tour of acquaintance with Caucasian country. We are waiting for you on the great land of Sakartvelo to tell you: "Gamarjoba genacvale! Welcome to Georgia, dear friend".
