

New Year's Eve 2023 on lake Baikal — Detailed description

Trip Length: 7 Group: 5-14 Departure: Fixed Period: December - January

Trip overview

What's the best time to experience something new and exciting? It's New Year's Eve, of course! It's a magical time when everyone believes in miracles and wishes the best for the year to come. Spend your holidays with BaikalNature on the most beautiful Lake Baikal shores. Your Lake Baikal NYE, will sound like a genuine Siberian fairy tale on the most sacred and purest waters.

Whether you travel with children, with friends or alone, you want to experience active vacations or just spend a great time discovering new landscapes, this trip will really be exciting.

A large number of activities await you! Visit the Taltsy Ethnographic Museum, taste Baikal cuisine, see the Baikal Museum and meet nerpa, the Baikal seal, hike up to Chersky Rock, dog-sled in the Siberian winter forest and celebrate New Year's Eve! Take also some time to rest in a Russian banya and enjoy lakefront bed and breakfast Siberian welcoming atmosphere.

After a loud NYE party on Baikal shore, spend the second day of the year aboard a ship sailing along one of the Lake Baikal most beautiful shores. Visit the former gold seeker settlement, Bolshie Koty Village and the 17th century Bolshoye Goloustnoye Village. Gaze at stunning and unique landscapes: at this time of the year, rocks and capes are already covered in ice as a thin layer of ice already forms along the shores. Crossing the misty waters of the lake, you'll find yourself on sites you can only reach by boat.

You'll spend overnights at a cosy and comfortable resort on Baikal shore, a night in the wooden house of a hospitable family and the best hotel of Listvyanka in its centre.

Checklist & Equipment

You will need in Russia in winter:

- to protect yourself from the cold weather;
- to protect yourself from the wind;
- to protect your feet from moisture;
- to protect yourself from the sun's reflection from ice and snow.

Allow the system of "three layers":

- The first layer, called "second skin", determines the performance of the other two layers. It will transport sweat to the next layer and dry quickly to avoid cooling after exercise. Therefore forget the cotton retains moisture in the skin and choose underwear in synthetic fabrics.
- The second layer must keep the heat of the body as long as possible. Warm synthetic or mixed (wool or fleece turtleneck sweater) fabrics, that dry quickly, are preferable.
- The third layer should protect you against wind and moisture. Choose a jacket, long enough, 100% waterproof, preferably with hood.

Recommended checklist

Thermal underwear

Flip-flops for banya

Fleece jacket or warm sweater

Mountain boots for walking on ice and snow

Thick socks

Wool gloves and winter cap

Warm gloves or mittens

Towel

Meals

At restaurants and homestays in cities, traditional cuisine consists of local specialties.

If you are a vegetarian or have any particular preferences, please let us know, so we could adapt the menu.

Laundry

Уникальный внутренний номер документа: 417019

Some hotels and inns offer laundry services for a variable sum of money. It is sometimes possible to use laundry services at homestay (when there is running water) for a fee.

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For more information please contact your nearest Russian Embassy or Visa Application Center.

Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

No compulsory vaccination.

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

Provide a first aid kit that includes among other items:

- aspirin or paracetamol,
- anti-diarrheal pills,
- antiseptic,
- adhesive plaster,
- sterile pads.

If you have individual diseases, make sure you have taken your medications.

Medical Form

No particular physical condition is required.

Emergency Contact

You can contact BaikalNature by phone: +73952 26 56 94.

In addition, your call will be forwarded to your manager, reachable 7/7.
