

Sea Of Siberia Cruise — Detailed description

Trip Length: 8 Group: 2-6 Departure: Fixed Period: June

Trip overview

We invite you to a unique cruise on Lake Baikal at the very beginning of summer!

At this time of year, Baikal is especially beautiful: the taiga is fresh, wild shrubs are in bloom, the weather is calm, and the sun is already warming the deck. A real awakening of the great lake!

During the cruise on a comfortable yacht, we will reach Olkhon Island and visit all its most important attractions: Cape Burkhan, Ogoy Island, Cape Khoboy. Then we will reach the wild eastern coast, visit the Ushkany Islands to watch the nerpas (endemic Baikal seals), and admire the beauty of the Chivyrkuisky Bay with rest in hot springs and fishing. Along the way, we may meet bears walking along the shore.

On board the yacht there are all the conditions for a comfortable rest. If you want to go on an individual trip, write to us - we will select the best dates for a group of friends or family.

- First class yacht cruise for a small group

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For questions regarding obtaining an electronic visa, please contact your tour manager.

Money

The Russian currency is ruble. The cost of travel and other services is always fixed in rubles. Please note that cards from foreign banks do not work in Russia at the moment. Tourists can obtain a bank card from a Russian bank in advance or travel with cash. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities. It is also worth noting that the exchange rate at airports is usually not the most favorable. It is better to exchange in big cities (you can check the current exchange rate online). Important! Only new banknotes without defects or any traces are accepted for exchange.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.
