Laundry

Some hotels and inns offer laundry services for a variable sum of money. It is sometimes possible to use laundry services at homestay (when there is running water) for a fee.

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For more information please contact your nearest Russian Embassy or Visa Application Center.

Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

No compulsory vaccination.

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

It is advisable to keep the following vaccines valid:

- diphtheria,
- tetanus,
- Polio.

Tick-borne encephalitis is present in areas of forest, taiga where ticks are the carriers of encephalitis between May and July. As of August, they are no longer carrying the virus. If you do not get vaccinated, you should follow the basic precautions, including:

- protective clothes
- use of repellents

Уникальный внутренний номер документа: 383603

- daily check of the skin.

It is also possible to take out special insurance covering the analysis of the insect and vaccines.

Provide a first aid kit that includes among other items:

- aspirin or paracetamol,
- anti-diarrheal pills,
- antiseptic,
- adhesive plaster,
- sterile pads.

If you have individual diseases, make sure you have taken your medications.
