Checklist & Equipment

You will need in Russia in winter:

- to protect yourself from the cold weather;
- to protect yourself from the wind;
- to protect your feet from moisture;
- to protect yourself from the sun's reflection from ice and snow.

Allow the system of "three layers":

- The first layer, called "second skin", determines the performance of the other two layers. It will transport sweat to the next layer and dry quickly to avoid cooling after exercise. Therefore forget the cotton retains moisture in the skin and choose underwear in synthetic fabrics.
- The second layer must keep the heat of the body as long as possible. Warm synthetic or mixed (wool or fleece turtleneck sweater) fabrics, that dry quickly, are preferable.
- The third layer should protect you against wind and moisture. Choose a jacket, long enough, 100% waterproof, preferably with hood.

We recommend you to pack all your stuff in two bags: a small backpack and a large travelling bag.

SMALL BACKPACK: will be useful for carrying your personal belongings during the day (camera, film, personal medication, bottled water, etc.) You will also use it as hand luggage during air travel for all your heavy (to lighten the travel bag in the luggage compartment), fragile (camera, etc.) and necessary (toilet bag, etc.) things.

For more information please contact your nearest Russian Embassy or Visa Application Center.

Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

No compulsory vaccination.

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

It is advisable to keep the following vaccines valid:

- diphtheria,
- tetanus,
- Polio.

Tick-borne encephalitis is present in areas of forest, taiga where ticks are the carriers of encephalitis between May and July. As of August, they are no longer carrying the virus. If you do not get vaccinated, you should follow the basic precautions, including:

- protective clothes
- use of repellents
- daily check of the skin.

It is also possible to take out special insurance covering the analysis of the insect and vaccines.

Provide a first aid kit that includes among other items:

- aspirin or paracetamol,
- anti-diarrheal pills,
- antiseptic,
- adhesive plaster,
- sterile pads.

If you have individual diseases, make sure you have taken your medications.
