Trip Length: 4 Group: 1-6 Departure: Fixed Period: February

Trip overview

Hello!

Over the last years I have developed a lot of photographic habits that I turned into the rules which I follow in my photos.

I will teach you and share my vision and special rules of photography that I keep day by day in my personal work. You will have the unique chance to learn it and get the invaluable experience in few days while I was testing it for many years.

During 4 days of photography beyond the Arctic circle we will discover the beauty of the North in the Kola Peninsula and head for the single settlement on the Barents sea - Teriberka that is possible to reach in 2 hours by car.

Photo tour will be dedicated documentary, street photography and landscape photography. We will also have a very useful master class on photo editing in Lightroom.

By the way, every evening if the weather will be good, we will organise getaways to admire and take photos of the fantastic phenomenon - Aurora Borealis, and the village of Teriberka is one of the most famous place to observe the Northern lights in Russia.

Come with me to discover the real North through the lens as a photographer. I'm waiting only for you for 4 days of photography and traveling to the edge of the world.

Your sincerely,

Victor Balaguer

Checklist & Equipment

You will need in Russia in winter:

- to protect yourself from the cold weather;
- to protect yourself from the wind;
- to protect your feet from moisture;
- to protect yourself from the sun's reflection from ice and snow.

Allow the system of "three layers":

- The first layer, called "second skin", determines the performance of the other two layers. It will transport sweat to the next layer and dry quickly to avoid cooling after exercise. Therefore forget the cotton retains moisture in the skin and choose underwear in synthetic fabrics.
- The second layer must keep the heat of the body as long as possible. Warm synthetic or mixed (wool or fleece turtleneck sweater) fabrics, that dry quickly, are preferable.
- The third layer should protect you against wind and moisture. Choose a jacket, long enough, 100% waterproof, preferably with hood.

If you are traveling in the spring or autumn, please check with your manager for a list of recommended equipment and an approximate weather forecast.

Recommended checklist

underwear, socks (several pairs)
comfortable shoes for trekking
raincoat / windproof and waterproof jacket with HOOD!
sunglasses
towel
spray against mosquitoes and ticks (for summer outdoor tours)
fleece jacket/sweater with collar
moisturizing cream

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For questions regarding obtaining an electronic visa, please contact your tour manager.

Money

The Russian currency is ruble. The cost of travel and other services is always fixed in rubles. Please note that cards from foreign banks do not work in Russia at the moment. Tourists can obtain a bank card from a Russian bank in advance or travel with cash. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities. It is also worth noting that the exchange rate at airports is usually not the most favorable. It is better to exchange in big cities (you can check the current exchange rate online). Important! Only new banknotes without defects or any traces are accepted for exchange.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

Medical Form

No particular physical condition is required.

Emergency Contact

You can contact BaikalNature by phone: +7 924 531 87 01 (What's App, Telegram, Viber)

In addition, your call will be forwarded to your manager, reachable 7/7.
