

Three Religions — Detailed description

Trip Length: 9 Group: 4-12 Departure: Fixed Period: July - August

Trip overview

Lake Baikal is one of the most amazing Russian destinations. For travellers this great lake offers not only hundreds of natural sites. Also the Baikal region is considered as a confluence of different religions. The most spread of them are the Orthodoxy, the Buddhism and the Shamanism. Our itinerary is about them all. You will get acquaintance with the way they remain intact in the spirit of peaceful coexistence and how they are intimately entwined in the life of local people.

Besides the acquaintance with the culture, we have included the nature discovering of Lake Baikal. For realizing the true strength and immensity of the lake, it's necessary to cross it in its deepest and largest central part. The landscape changes: taiga-covered hills, desert steppes, sand dunes, mountain valleys and, of course, the sheet of the purest Baikal water lay going directly to the horizon.

We propose you to go for this tour in the best period of summer season when the water reaches the highest temperature, the sun is bright and the rains are rare. For getting acquaintance with the Baikal culture in all of its aspects, you will stroll about the old streets of the Irkutsk city, listen to the chime of the Orthodox Churches, visit the Buryat region and the Buddhist spiritual centre - Ivolginsky datsan, and participate in the true shamanic rite. You will visit Olkhon Island, this cradle of shamanism in Asia, where every sacral place keeps hundreds of legends and beliefs.

This tour is accessible for everybody: you can go alone, in pairs or with your whole family independently of the age. All over the itinerary there will comfortable accommodations. In Ust-Barguzin we propose to spend a night in the local family for steeping in the real everyday life of the Baikal village. All services of the tour are private: we don't use the scheduled bus or boats.

We want you to discover the lake in all its wide diversity – natural and cultural! If you visit Lake Baikal, you would definitely come back!

If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.
