

## Around Baikal Expedition — Detailed description

Trip Length: 14 Group: 2-7 Departure: Fixed Period: December - January

### Trip overview

People think that it is not possible to make a car trip around lake Baikal in the summer. But not everyone knows about an old abandoned road connecting the village Novyi Uoyan and Barguzin valley. This road was named after the only road marker pole at km 110. Built in 1974-75 as a temporary road to provide the BAM employees with supplies. This road was then abandoned which resulted in all constructions and bridges slowly fall apart until today where they are totally destroyed and unusable... For 4x4 enthusiasts/drivers this road is considered one of the hardest and ranks in the highest category of difficulty.

Road 110 crosses Barguzinsky mountain range through numerous passes, rivers and wetlands. Part of the road go through the beautiful Dzherginsky nature reserve. And what contributes to its uniqueness is that it is hard to access, unpopulated, totally off the grid, intense elevation changes, untouched wilderness (both fauna and flora) !

During the expedition we will visit the upper section of the Lena River, drive along the BAM - one of the most expensive infrastructure project in the history of our country, you will see the northern point of Lake Baikal, Barguzin Valley, the Svatoy Nose peninsula and Barguzinsky and Chivyrkuisky gulfs.

An important part of our trip is to 'touch' the rich history of Russia. We will make a few in interesting stops, such as key construction points of BAM, old abandoned village, a labour camp site - Akukan Gulag. But you will also bathe in hot springs where the water temperature of reaches 50 degrees! You will spend a night on the largest peninsula of the Baikal lake, visit the village of Old Believers - Tarbagatay - and go to the heart of Buddhism in Russia – datsan of Ivolginsk. Finally in its last stretch the expedition will be driving along the southern shore of the Baikal and at the same time, along the Trans-Siberian railway.

For your transportation during the trip we provide specially prepared off-road vehicles, known for their power and 4x4 capabilities. You can also drive our 4x4 if you can demonstrate your offroad driving experience (conditions apply).

## Checklist & Equipment

It is hot in summer at Lake Baikal area. Nevertheless, you should always have something to put on, as weather in Siberia is very changeable.

If you plan your trip in May or September, please feel free to bring your hat, gloves and windjacket in case of snow or rain.

June is also pretty cool.

July and August are the hottest months, which offer you temperatures of 25 ° - 35 ° at daytime and 15 ° - 18 ° at night. On the shores of Lake Baikal, like in the Alps, you should wear T-shirts and shorts in the sunny afternoons, sweaters and jackets in the cool evenings.

We recommend you to pack all your stuff in two bags: a small backpack and a large travelling bag.

**SMALL BACKPACK:** will be useful for carrying your personal belongings during the day (camera, film, personal medication, bottled water, etc.) You will also use it as hand luggage during air travel for all your heavy (to lighten the travel bag in the luggage compartment), fragile (camera, etc.) and necessary (toilet bag, etc.) things.

**BIG TRAVEL BAG or BIG BACKPACK:** must contain the rest of your stuff. It will be in the luggage compartment during the flight. It will be transported by vehicles.

If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.
