

Mysteries of Dagestan — Detailed description

Trip Length: 7 Group: 1-6 Departure: Fixed Period: April - May

Trip overview

In 2021 we head for the land, where the gentle Caspian Sea, mild climate, majestic mountains and ancient architecture with authentic villages and Caucasian hospitality are combined, where you can find out what the real Caucasus is. Join us to travel to the unexplored lands of Dagestan, while it has not yet become mainstream, but has great natural and cultural potential.

Land of mountains, translated the word “Dagestan” from the Turkic language, is located in the southeastern part of the northern Caucasus far away from crowded tourist places. This is the most picturesque region with unique natural wonders that are difficult to find anywhere else. We collect only all the most incredible places of Dagestan: Barkhan Sarykum, a mystery of nature surrounded by mountains and the largest desert of Eurasia, the most ancient and southernmost village of Derbent with a thousand-year history, a picturesque village Kubachi with the best jewelry masters, “Caucasian Machu- Picchu” or aul-ghost Gamsutl, as well as the village Gunib, hidden high in the mountains. Finally, you discover the most beautiful canyon, which tops the list of tourist attractions of Dagestan and claims to be one of the 3 deepest canyons in the world (depth up to 1920 meters). The Sulak canyon, stretching for 53 km with the turquoise waters of the Sulak River, will steal your heart.

Apart from it, you will enjoy incredible mountain landscapes, get acquainted with the multinational and hospitable Caucasians, who have a unique culture and honor the customs of their ancestors, and also taste the amazing local cuisine that combines the Persian, Arab and Turkish flavor.

In 2021, Pavel Ageychenko, the founder of the BaikalNature company, will led the various tours in Russia, and the Caucasus is certainly one of them! Don't miss the chance to discover new places under the guidance of an experienced traveler who knows everything and more about travel!

The tour does not require special physical training and it suits for a family vacation. Come and visit Dagestan, touch a thousand-year history and discover pristine nature, and you'll likely lose a piece of your heart in the mountainous republic!
