

Baikal Active — Detailed description

Trip Length: 9 Group: 4-8 Departure: Fixed Period: July - August

Trip overview

If you are looking for an adventure travel, we propose to you the unique trip with full immersion in nature. During the summer there are so few places on Lake Baikal where you can escape tourists' crowds, cars and buses. We have tried to make for you the tour which includes only two components: you and grand Baikal!

The tour consists of two parts. The first one is kayaking along the most beautiful part of the west Baikal coast accessible only by water. You will see the picturesque Peschanaya bay, Dirovatyi cape and Baklaniy Kamen Island, every overnight will be in a different place. Along this itinerary there are no roads or settlements – you will be out of civilization surrounded by the picturesque taiga-covered hills and sandy beaches!

The second part of the itinerary is the trekking in the heart of the lake – the Olkhon island. Despite the fact that the island is considered as the most visited part of the lake, we propose to you an itinerary along the shore far away from dusty roads. During your 2-days trekking, you will visit the wildest North part of the island. You will see the Shamanka (Burkhan) cape, Urochische Peschanoye, Tri Brata (Three brothers) cape and, of course, Khoboy cape. After this long and intense journey you will have a rest in the cozy wooden homestay with Russian banya (sauna) – really good end for this active tour!

All necessary equipment is included. All you need is to dare !

Checklist & Equipment

It is hot in summer at Lake Baikal area. Nevertheless, you should always have something to put on, as weather in Siberia is very changeable.

If you plan your trip in May or September, please feel free to bring your hat, gloves and windjacket in case of snow or rain.

June is also pretty cool.

July and August are the hottest months, which offer you temperatures of 25 ° - 35 ° at daytime and 15 ° - 18 ° at night. On the shores of Lake Baikal, like in the Alps, you should wear T-shirts and shorts in the sunny afternoons, sweaters and jackets in the cool evenings.

We recommend you to pack all your stuff in two bags: a small backpack and a large travelling bag.

SMALL BACKPACK: will be useful for carrying your personal belongings during the day (camera, film, personal medication, bottled water, etc.) You will also use it as hand luggage during air travel for all your heavy (to lighten the travel bag in the luggage compartment), fragile (camera, etc.) and necessary (toilet bag, etc.) things.

BIG TRAVEL BAG or BIG BACKPACK: must contain the rest of your stuff. It will be in the luggage compartment during the flight. It will be transported by vehicles.

This trip is carried out in kayaks type "Taymen" or "Salut" for 2 to 3 people.

During your kayak tour, your luggage will be carried in a dry-bag (70 L.), on the kayak itself. Please think about it while packing !

For more information please contact your nearest Russian Embassy or Visa Application Center.

Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

Provide a first aid kit that includes among other items:

- aspirin or paracetamol,
- anti-diarrheal pills,
