

Great Baikal 2014 — Detailed description

Trip Length: Group: 6-10 Departure: Fixed Period: December - January

Trip overview

You wish to discover Lake Baikal from south to north, west to east ? you would like to get a glimpse into the diversity and uniqueness of its area? You enjoy hiking and would be glad to travel the most picturesque footpaths along the lake? Join the adventure!

Along those 18 days you will alternate 2 to 3 days treks and transfers by car, by boat or by train. During this outstanding journey around the whole lake, you will discover stunning sceneries: steppes, river delta, sand dunes, cliffs, taiga – preserved fauna and flora and the rough but generous soul of Siberians.

While trekking, your own luggage and the common staff will be carried by jeep or boat so that you only have to carry a small bag with you and enjoy the nature!

On the first day of our journey, we will discover by train the south of the lake, travelling the famous Circumbaikal railway, “The gold buckle of Russia’s steel belt”. The railway has been built in the 19th century very close to the shores and is truly an engineering masterpiece. In Port-Baikal, where the railway ends up, we cross Angara spring and arrive in Listvianka, a pretty siberian village.

From Listvianka, we hike 2 days trek through taiga and pasture, heading to Cape Kadilny.

We discover Pestchanaya sand bay, its pinewoods and its turquoise water on short walks.

We arrive on Olkhon Island – heart of the lake and buriat sacred land. During our 3 days trek, we discover the whole north of the island: steppe, sand dunes, cliffs and pasture.

We reach the North of the lake Baikal and travel the “Great Baikal Trail” 3 days long. Sand dunes and crashing waves let place to dense taiga, with moss and lichens as dominant ground vegetation.

We sail to Sviatoy Nos Peninsula, discover Chivyrkuy Bay, seabirds’ paradise!

Meals

At restaurants and homestays in cities, traditional cuisine consists of local specialties.

Cold lunch and hot dinner, cooked on an open fire in the evening.

If you are a vegetarian or have any particular preferences, please let us know, so we could adapt the menu.

Laundry

Some hotels and inns offer laundry services for a variable sum of money. It is sometimes possible to use laundry services at homestay (when there is running water) for a fee.

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For questions regarding obtaining an electronic visa, please contact your tour manager.

Money

The Russian currency is ruble. The cost of travel and other services is always fixed in rubles. Please note that cards from foreign banks do not work in Russia at the moment. Tourists can obtain a bank card from a Russian bank in advance or travel with cash. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities. It is also worth noting that the exchange rate at airports is usually not the most favorable. It is better to exchange in big cities (you can check the current exchange rate online). Important! Only new banknotes without defects or any traces are accepted for exchange.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.
