

Top of the World. Cruise to the North Pole — Detailed description

Trip Length: 13 Group: 40-50 Departure: Fixed Period: July - August

Trip overview

Who hasn't dreamed of going to the North Pole in his childhood? One wanted to go to the "Top of the World", another - to meet polar bears, and the other - to swim in the coldest Arctic Ocean. Today those dreams can come true. Cruise to the North Pole is an exciting expedition to one of the most amazing places on Planet. It has a right to be called one of the best expeditions. North Pole is such a place where you can stand literally on the "top of the world". The only sides surrounding you will be the Southern ones. There it is also possible to participate in the shortest tour around the Globe and eat the northernmost barbecue. Besides, a "small" fact should be mentioned that your cruise will take place on board of the most powerful nuclear icebreaker – "50 Years of Victory". When we reach the North Pole you will have the opportunity to swim in the cold ocean. On the way back we will take a look at the nearest land to the North Pole in the Eastern Hemisphere – "Franz Josef Land" archipelago. There we will find stones of most accurate round shape in nature. In addition, the "Franz Josef Land" is a home for huge number of arctic birds, walruses, seals and polar bears.

The cruise is held on board of nuclear icebreaker – "50 Years of Victory".

Technical description: length - 160 m, width - 30 m, maximum speed - 21,4 knots, crew - 140 persons, accommodation - 50 berths expedition.

Meals

Three meals a day on shipboard, cuisine, based on fresh products and caught fish.

If you are a vegetarian or have any particular preferences, please let us know, so we could adapt the menu.

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For questions regarding obtaining an electronic visa, please contact your tour manager.

Money

The Russian currency is ruble. The cost of travel and other services is always fixed in rubles. Please note that cards from foreign banks do not work in Russia at the moment. Tourists can obtain a bank card from a Russian bank in advance or travel with cash. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities. It is also worth noting that the exchange rate at airports is usually not the most favorable. It is better to exchange in big cities (you can check the current exchange rate online). Important! Only new banknotes without defects or any traces are accepted for exchange.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.
