

Grand Georgia Tour — Detailed description

Trip Length: 13 Group: 1-4 Departure: Fixed Period: December - January

Trip overview

In 2022 we are exploring further the Caucasus so we would like to offer one of the best destinations for holiday - majestic Georgia, the country of contrasts and amazing diversity. It's no wonder that many people call Georgia an Eden of the Caucasus, located in the western Transcaucasia, on the Black Sea coast.

Georgia is famous for its thousand-year history and interesting traditions. Could you imagine that some of the oldest human remains on earth were found here, that dated 1 million 770 thousand years old! There are also many references from the middle of the first millennium BC about the ancient Colchis state on the territory of modern Georgia. Every sight of Georgia is permeated with rich history, covered with ancient legends and tales. Also, it is one of the first Christian countries in the world. Now on the territory of the country there are many magnificent Orthodox churches and monasteries, which have an ancient history and are distinguished by beautiful architecture with excellent forms and carvings.

Georgia is not only about rich history, but, first of all, it is about amazing nature combined with mountain landscapes, alpine meadows, grape plantations and the shining Black Sea coast. Traveling to Georgia you will find many places with wildlife, and so far untouched by man landscapes, which makes the country even more attractive to tourists.

We begin our journey with the main capital of Georgia – Tbilisi that is more than 1500 years old, as well as the ancient capital of Georgia - Mtskheta with its famous UNESCO world heritage sites like Jvari Monastery and Svetitskhoveli Cathedral. Then take an enjoyable trip to the village of Kazbegi along the picturesque Georgian military road with a plenty of instagram locations. Let's not forget about Kutaisi - one of the oldest cities in the world, the capital of the Kingdom of Colchis with the unique natural canyons of Okatse and Martvili... Do not miss the majestic mountainous province - Svaneti, the land of a thousand unique towers. Then, we will descend from the snowy mountains to the blooming southern resort city - Batumi, if the soul craves the sea and fresh breeze. Finally, we will enjoy the cool climate of the resort town of Borjomi with its mineral springs and touch to the history of the ancient fortress Rabat and the cave city of Vardzia.

And what about wine? Of course, many people associate this country with the famous Georgian wine, because the local traditions of making wine are already 8000 years old. Now, the country produces many varieties of wines, popular both at home and abroad. During our tour, we will look into the province of Kakheti - the cradle of Georgian winemaking and the mecca for winemakers and wine lovers.

When it comes to Georgian hospitality, you won't feel like a stranger. Georgians believe that "the guest is by the Lord" and therefore warm hospitality is well known for all guests. Generous Georgian feasts, beautiful toasts, a huge variety of delicious dishes are unlikely to leave anyone indifferent. How is fascinating Georgian cuisine! Food for Georgians is not a simple meal, it is part of the national culture.

Talking about the beauty and diversity of Georgia can be endlessly.... It is better to see everything with your own eyes, so we offer a Grand tour through all Georgia, combining all the best, so as not to rush and discover more and more delights of this region, like a magic box, filled with various treasures....
