

Autumn on Putorana Plateau — Detailed description

Trip Length: 10 Group: 6-20 Departure: Fixed Period: December - January

Trip overview

The Putorana plateau is a unique place that still saves from the civilization its solitariness and wildness. The area of this basaltic plateau is comparable with the territory of a European country. On the territory more than 250 000 km² there is no any settlements. Although the Putorana plateau is a geographical centre of Russia, there are a lot of places never before imprinted by the foot of man.

We propose you the unique tour meeting the nature itself! As there are no roads to the plateau, you will be delivered there by boats. You will see a lot of lakes and rivers with the purest soft water. Also there are canyons and countless number of overflowing waterfalls. It's not for nothing that the plateau is also called "region of the waterfalls". The rich program of visits is adaptable for the tourist with different physical training. The security of the itinerary is provided by the experienced Putorana biosphere reserve rangers.

This remote area can be interesting for all kind of travelers: photographers can make their best photo; the fishing fans can catch their biggest fish; people tired from the big city intense life can have a real rest without Internet and mobiles in wilds; for those who want some cultural discovery there is a possibility to get acquainted with the shamanism of the Evenks; the most active ones can make every day's radial trekking along the wild trails. And, of course, of the most breathtaking experience of the tour to Putorana plateau is the possibility to observe the northern lights every evening when the weather is fine. This destination is not for everybody, but everybody who visited it would never forget the unassailable beauties of the most insufficiently explored plateau of the planet !

However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.
