**Checklist & Equipment**

It is hot in summer at Lake Baikal area. Nevertheless, you should always have something to put on, as weather in Siberia is very changeable.

If you plan your trip in May or September, please feel free to bring your hat, gloves and windjacket in case of snow or rain.

June is also pretty cool.

July and August are the hottest months, which offer you temperatures of 25 ° - 35 ° at daytime and 15 ° - 18 ° at night. On the shores of Lake Baikal, like in the Alps, you should wear T-shirts and shorts in the sunny afternoons, sweaters and jackets in the cool evenings.

We recommend you to pack all your stuff in two bags: a small backpack and a large travelling bag.

**SMALL BACKPACK:** will be useful for carrying your personal belongings during the day (camera, film, personal medication, bottled water, etc.) You will also use it as hand luggage during air travel for all your heavy (to lighten the travel bag in the luggage compartment), fragile (camera, etc.) and necessary (toilet bag, etc.) things.

**BIG TRAVEL BAG or BIG BACKPACK:** must contain the rest of your stuff. It will be in the luggage compartment during the flight. It will be transported by vehicles.

## Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

## Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

## Health

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

Provide a first aid kit that includes among other items:
