

Meeting Kamchatka — Detailed description

Trip Length: 11 Group: 10-19 Departure: Fixed Period: July - August

Trip overview

This trip is for those who want to truly explore Kamchatka! The route is specially designed to allow you to see and experience everything in 11 days.

The active part of the tour includes exciting trekking along the most famous volcanoes of the peninsula - Avachinsky, Gorely, Mutnovsky and Vilyuchinsky. Trekking is adapted for any level of training: both an experienced tourist and a beginner will enjoy it. Travel along picturesque passes, in the footsteps of past eruptions, along the steppes, where colonies of ground squirrels live.

We will not leave out water activities: rafting on the Bystraya River, visiting the Pacific Ocean coast with its black volcanic sand, a cruise along Avacha Bay with observation of marine life and, of course, lunch of freshly caught fish.

We will add some rest to our active holiday by swimming in natural hot springs, trying delicious local cuisine and visiting the fish market.

In favorable weather conditions, anyone who wishes can take a helicopter tour to the Valley of Geysers or to Kuril Lake, where the master of the peninsula lives – the brown bear.

Highlights

- Discover the Avachinsky and Mutnovsky volcanoes
- Relaxation in hot thermal springs
- Boat trip in the Avacha bay and on the shores of the Pacific Ocean
- Possibility to visit the Geyser Valley by helicopter
- Rafting on the Bystraya River

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For questions regarding obtaining an electronic visa, please contact your tour manager.

Money

The Russian currency is ruble. The cost of travel and other services is always fixed in rubles. Please note that cards from foreign banks do not work in Russia at the moment. Tourists can obtain a bank card from a Russian bank in advance or travel with cash. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities. It is also worth noting that the exchange rate at airports is usually not the most favorable. It is better to exchange in big cities (you can check the current exchange rate online). Important! Only new banknotes without defects or any traces are accepted for exchange.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

Provide a first aid kit that includes among other items:

- aspirin or paracetamol,
- anti-diarrheal pills,
- antiseptic,
- adhesive plaster,
- sterile pads.

If you have individual diseases, make sure you have taken your medications.
