For summer travel, we recommend preparing:

- protection from rain and wind - a long raincoat with a hood, for active tours - a waterproof cover on a backpack, the second pair of shoes (the ability to dry a second pair if they get wet);
- clothing in case of bad weather - when the temperature drops (in mountainous regions, on the coasts, in the evening), we recommend taking a light jacket, a warm sweater and pants

In different regions of Russia there can be significant temperature fluctuations in the summer. If you do not have experience traveling in similar regions, please contact your manager to pick up the necessary things and find out about the weather forecast in the place where you are planning your trip.

If you are traveling in the spring or autumn, please check with your manager for a list of recommended equipment and an approximate weather forecast.

We recommend you to pack all your stuff in two bags: a small backpack and a large travelling bag/suitcase.

SMALL BACKPACK: will be useful for carrying your personal belongings during the day (camera, phone, personal medication, bottled water, etc.) You will also use it as hand luggage during air travel for all your heavy (to lighten the travel bag in the luggage compartment), fragile (camera, etc.) and necessary (toilet bag, etc.) things.

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For questions regarding obtaining an electronic visa, please contact your tour manager.

Money

The Russian currency is ruble. The cost of travel and other services is always fixed in rubles. Please note that cards from foreign banks do not work in Russia at the moment. Tourists can obtain a bank card from a Russian bank in advance or travel with cash. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities. It is also worth noting that the exchange rate at airports is usually not the most favorable. It is better to exchange in big cities (you can check the current exchange rate online). Important! Only new banknotes without defects or any traces are accepted for exchange.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

No compulsory vaccination.

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

Provide a first aid kit that includes among other items:

- aspirin or paracetamol,
- anti-diarrheal pills,
