

Kizhi + Valaam + Solovki — Detailed description

Trip Length: 5 Group: 4-8 Departure: Fixed Period: July - August

Trip overview

Here is a rich program, involving visits of three great names Karelia: the islands of Kizhi and Valaam and the Solovki archipelago. On the way to the north, to the White Sea, we will visit the natural reserve of Kivach and its famous waterfall, one of the largest in Europe!

The advantages of the travel are : the comfortable accommodations in the center of Petrozavodsk and along the White Sea in Rabotcheostrovsk, the practical schedules of arrival and departure of trains (to St. Petersburg or Moscow). The other advantage is the fact that, despite the large number of discoveries , excursions and trips you only change two times of hotel, so you do not have to tidy up your luggages thousand times ...

This trip has a good balance between the exclusive services on the one hand, as private transfers (allowing you to make stops where you want, to enjoy the payages), the English-speaking guides, specialists of their monasteries (in Kizhi, Valaam and Solovki), and shared services on the other hand. It allows you to be closer to the people and to optimize expenditure: two cruises on fast boats on both lakes and a cruise on the White Sea.

Highlights

- 2 largest and most picturesque lakes in Karelia
- Discovery of the main tourist attractions of Karelia
- Half freedom formula: support of an English speaking guide only where it is needed
- Cruise on the White Sea
- Discovery of the Kivach waterfall

Meals

If you are a vegetarian or have any particular preferences, please let us know, so we could adapt the menu.

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For questions regarding obtaining an electronic visa, please contact your tour manager.

Money

The Russian currency is ruble. The cost of travel and other services is always fixed in rubles. Please note that cards from foreign banks do not work in Russia at the moment. Tourists can obtain a bank card from a Russian bank in advance or travel with cash. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities. It is also worth noting that the exchange rate at airports is usually not the most favorable. It is better to exchange in big cities (you can check the current exchange rate online). Important! Only new banknotes without defects or any traces are accepted for exchange.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

No compulsory vaccination.

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.
