Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

Provide a first aid kit that includes among other items:

- aspirin or paracetamol,
