

Kizhi + Valaam + Solovki — Detailed description

Trip Length: 5 Group: 4-8 Departure: Fixed Period: June - August

Trip overview

Here is a rich program, involving visits of three great names Karelia: the islands of Kizhi and Valaam and the Solovki archipelago. On the way to the north, to the White Sea, we will visit the natural reserve of Kivach and its famous waterfall, one of the largest in Europe!

The advantages of the travel are : the comfortable accommodations in the center of Petrozavodsk and along the White Sea in Rabortcheostrovsk, the practical schedules of arrival and departure of trains (to St. Petersburg or Moscow). The other advantage is the fact that, despite the large number of discoveries , excursions and trips you only change two times of hotel, so you do not have to tidy up your luggages thousand times ...

This trip has a good balance between the exclusive services on the one hand, as private transfers (allowing you to make stops where you want, to enjoy the payages), the English-speaking guides, specialists of their monasteries (in Kizhi, Valaam and Solovki), and shared services on the other hand. It allows you to be closer to the people and to optimize expenditure: two cruises on fast boats on both lakes and a cruise on the White Sea.

Highlights

- Discovery of the two largest lakes of Karelia by Soviet hydrofoil boat
- Discovery of the three main tourist attractions of Karelia
- Half freedom formula: support of an English speaking guide only where it is needed
- Cruise on the White Sea
- Discovery of the Kivach waterfall

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For more information please contact your nearest Russian Embassy or Visa Application Center.

Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

No compulsory vaccination.

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.
