

Pole of Cold — Detailed description

Trip Length: 9 Group: 1-8 Departure: Fixed Period: December - January

Trip overview

Would you like to feel the real cold – total, wide-reaching and full-scale? Then this tour is for you! This time BaikalNature propose to you to visit Oymyakon village – the pole of Cold. In this region there are the lowest temperatures near the earth surface all over the world. The average monthly temperatures of the January are -50°C , during the coldest winters they reach -67°C . The lowest registered temperature was $-71,2^{\circ}\text{C}$. And it's not the Arctic and people live there all the year round.

After the two-days way by the Kolyma road, we will find ourselves in the middle of the winter wonderland, where the pure and severe beauty of the nature is side by side the kindness and hospitality of the local people.

We will know about the history of the region and the peculiarities of the Yakut nature that are understandable only for those who arrive to see them personally.

This tour is held in a format of expedition. Description of the itinerary presents only a common plan of the expedition. In case of any force majeure (such as bad weather conditions or any other unexpected and unpredictable events), the organizers reserve the right to make changes to the program.

Checklist & Equipment

You will need in Russia in winter:

- to protect yourself from the cold weather;
- to protect yourself from the wind;
- to protect your feet from moisture;
- to protect yourself from the sun's reflection from ice and snow.

Allow the system of "three layers":

- The first layer, called "second skin", determines the performance of the other two layers. It will transport sweat to the next layer and dry quickly to avoid cooling after exercise. Therefore forget the cotton retains moisture in the skin and choose underwear in synthetic fabrics.
- The second layer must keep the heat of the body as long as possible. Warm synthetic or mixed (wool or fleece turtleneck sweater) fabrics, that dry quickly, are preferable.
- The third layer should protect you against wind and moisture. Choose a jacket, long enough, 100% waterproof, preferably with hood.

We recommend you to pack all your stuff in two bags: a small backpack and a large travelling bag.

SMALL BACKPACK: will be useful for carrying your personal belongings during the day (camera, film, personal medication, bottled water, etc.) You will also use it as hand luggage during air travel for all your heavy (to lighten the travel bag in the luggage compartment), fragile (camera, etc.) and necessary (toilet bag, etc.) things.

BIG TRAVEL BAG or BIG BACKPACK: must contain the rest of your stuff. It will be in the luggage compartment during the flight. It will be transported by vehicles.

Visa

You need a tourist visa to travel to Russia. It can be issued for a maximum period of 30 days. Your passport has to be valid for at least six months after the expiry date of your visa and to have at least two blank pages.

BaikalNature offers visa support and has created "BaikalNature letter of invitation" package. If you buy a BaikalNature tour, this package is absolutely free; when you buy any other BaikalNature service, you will have to pay for this package.

For more information please contact your nearest Russian Embassy or Visa Application Center.

Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

You need to get a health examination before a great trip. Consult your doctor. Get a dental checkup. If you have health problems that could worsen during the trip, make sure you have taken all your medications with you.

Provide a first aid kit that includes among other items:

- aspirin or paracetamol,
- anti-diarrheal pills,
- antiseptic,
- adhesive plaster,
- sterile pads.

If you have individual diseases, make sure you have taken your medications.

Medical Form

You should be physically fit enough for this tour.
