

Treasures of Caucasus — Detailed description

Trip Length: 7 Group: 5-7 Departure: Fixed Period: May - July

Trip overview

This tour will make you fall in love with the Caucasus once and for all! Everyone who once meets the mountains, whose peaks touch the edge of the sky, ancient temples and fortresses that preserve their thousand-year history, mineral springs, which have absorbed all the healing power of nature, different nationalities, which from time immemorial carefully respect the Caucasian traditions and customs, will certainly change their attitude to this region of mountains and stormy rivers. The Caucasus is so complex and sometimes unbridled, but at the same time so attractive and welcoming.

During this tour you will find a journey through 6 completely different republics, each of which has its own specific flavor. You will be completely immersed in history: the medieval tower complexes Egikal and Targim in Ingushetia, as if frozen in time, ready to tell about the events of the distant past, to show how people's lives evolved and developed a multi-ethnic distinctive culture in this mountainous country. Excursions to modern cities - Pyatigorsk, Vladikavkaz and Grozny will open the Caucasus for you in a new light. Despite the differences in the beliefs and cultural traditions of the locals, they all have one thing in common: unlimited hospitality and the breadth of the "Caucasian soul". Only here you will taste aromatic Caucasian kebab, hearty khinkali and the famous Ossetian pie.

The other side of the journey is the majestic Caucasus Mountains with their amazing natural riches: Elbrus region, picturesque waterfalls, stormy rivers, alpine blue lakes, narrow gorges and endless valleys, as well as clean mountain air and many mineral springs!

You will find amazing meetings and acquaintances with the most beautiful places of the Caucasus, unique ancient monuments, memorable landscapes and good-natured people who are ready to show you the Caucasus as it really is.
