Trip overview

On the one hand, this idea allowed to reduce considerably your budget : very important thing! On the other hand, the kayak is an excellent way to get some privacy, comfort and cover long distances.

The layout of the itinerary passes through symbolic places of Baikal, most of which are accessible only by kayak, like caves, Cape Kobylia Golova, islands of the Small Sea or "Belfry" of Peschnaya Bay. We will also see Nerpas (Baikal fresh water seals) where the kayak is the single means of transport that does not frighten animal.

Thus, we put our kayaks into the water at Bolchoe Goloustnoe and sailing in the south up to the Village Bugul'deika crossing the famous Peschanaya Bay, where we will make a break for the half of the day to discover all treasures. After 5 days of autonomy way, we will get off to the southern part of the Olkhon island. There we could have a rest : nice beds and russian banya! With the next day begins the second part of voyage - discovery of the geographic, historical, and cultural heart of Baikal. Starting out from the south of Olkhon, we will go the north passing picturesque bay - Maloye More, Small Sea. We are going to spend two last nights of the journey in Uzury village staying at meteorologist's family. We'll have a chance to explore Khoboy cape, shaman's worship, and enjoy a spectacular view 360 over the lake!

Many times itinerary will allow to walk around the coast, discover taiga and views of the lake.

Last models of sea kayak Triton, russian brand, are used to provide security and comfort. These collapsible kayaks have a rigid structure, inflatable edges that make it unsinkable. For navigating and transporting comfortably, you will seat by two in a three-seat kayak.

Money

The Russian currency is ruble. In all cities and many large villages of Russia, you can easily withdraw rubles, using a Visa or MasterCard, from ATMs, located in banks, department stores or hotel lobbies, some of them are open 24 hours a day. If you have euros or dollars with you, exchange offices will allow you to change them easily in the cities, seldom in the countryside. However, it can be difficult to exchange traveler's checks, even in cities.

Tipping

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you. So you have no obligation to leave anything. If you really want to express your satisfaction by leaving a gratuity, and if it is in foreign currency, be aware that torn or glued coins and banknotes cannot be exchanged. Anyway, thank you for your tips, left at your discretion in envelopes.

Health

No compulsory vaccination.

It is advisable to keep the following vaccines valid:

- diphtheria,
- tetanus,
- Polio.

Tick-borne encephalitis is present in areas of forest, taiga where ticks are the carriers of encephalitis between May and July. As of August, they are no longer carrying the virus. If you do not get vaccinated, you should follow the basic precautions, including:

- protective clothes
- use of repellents
- daily check of the skin.

It is also possible to take out special insurance covering the analysis of the insect and vaccines.

Provide a first aid kit that includes among other items:
