Trip overview

If you want not only see the beauties of the Russian winter, but also test yourself in the real polar expedition, we propose to the tour "Putorana plateau by snowmobiles". It's a real adventure in one of the most amazing places in Russia – Putorana plateau!

There are no roads and we will ride there by snowmobiles accompanied by the experienced park rangers of the Putorana Biosphere Reserve. The intense excursion program will be appreciated even by very exacting tourists. You will see the region of icefalls and canyons, cross the overflow ices many kilometers long, ascend the edge of the plateau from where you will get an amazing panoramic view. In the evening, you can have a good rest at the only resort of the plateau with Russian banya (sauna) and taste the local cuisine. The host will show you his unique collection of the cultural and everyday life object of the local people. For the fishing lovers there will possibility to take all necessary equipment for the ice fishing. For those who are looking for the solitude, we suggest the walks in the taiga.

The weather there is very unpredictable and deceptive, that's why the tour can be called "the expedition" and a real challenge. Checklist & Equipment

You will need in Russia in winter:

- to protect yourself from the cold weather;
- to protect yourself from the wind;
- to protect your feet from moisture;
- to protect yourself from the sun's reflection from ice and snow.

Allow the system of "three layers":

- The first layer, called "second skin", determines the performance of the other two layers. It will transport sweat to the next layer and dry quickly to avoid cooling after exercise. Therefore forget the cotton retains moisture in the skin and choose underwear in synthetic fabrics.
- The second layer must keep the heat of the body as long as possible. Warm synthetic or mixed (wool or fleece turtleneck sweater) fabrics, that dry quickly, are preferable.
- The third layer should protect you against wind and moisture. Choose a jacket, long enough, 100% waterproof, preferably with hood.

All persons who compose the BaikalNature travel team (guides, drivers, cooks, etc.) are paid a decent wage for their services and do not expect any tips from you.
